

SAFETY DATA SHEET

This safety data sheet was created pursuant to the requirements of: OSHA 29 CFR 1910.1200

Document Type US - OSHA GHS

Revision date 27-Mar-2024

Version 3

| 1. Identification  |  |  |  |
|--|--|--|--|
| Product identifier   |  |  |  |
| Product name   | _yoPrime WarmStart Fluorescent LAMP/RT-LAMP Mix (with UDG) |  |  |
| Other means of identification  |  |  |  |
| Product No   | L4401  |  |  |
| Synonyms   | None   |  |  |
| Recommended use of the chemical and restrictions on use                                |  |  |  |
| Recommended use  | This product is for research and development only          |  |  |
| Restrictions on use  | No information available                                   |  |  |
| Details of the supplier of the safety data sheet                                       |  |  |  |
| Supplier Address<br>New England BioLabs<br>240 County Road<br>Ipswich, MA 01938<br>USA |  |  |  |
| Emergency telephone number   |  |  |  |

# 2. Hazard(s) identification

## **Classification**

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

## Hazards not otherwise classified (HNOC)

Not applicable

## Label elements

### Hazard statements

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200).

## Other information

May be harmful if swallowed.

# 3. Composition/information on ingredients

#### Substance

Not applicable.

## Mixture

| Chemical name      | CAS No.   | Weight-% | Trade secret |
|--------------------|-----------|----------|--------------|
| Potassium Chloride | 7447-40-7 | 5 - 10   | *            |

# 4. First-aid measures

## **Description of first aid measures**

| Inhalation                                   | Remove to fresh air.  |
|--|---|
| Eye contact                                  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids.<br>Consult a physician. |
| Skin contact                                 | Wash skin with soap and water.  |
| Ingestion                                    | Rinse mouth.  |
| Most important symptoms and effered Symptoms | cts, both acute and delayed<br>No information available.  |
| Effects of Exposure                          | No information available.   |
|  |   |

## Indication of any immediate medical attention and special treatment needed

Note to physicians Treat symptomatically.

# 5. Fire-fighting measures

| Suitable Extinguishing Media  | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.                               |  |
|---|---|--|
| Large Fire  | CAUTION: Use of water spray when fighting fire may be inefficient.  |  |
| <b>Unsuitable extinguishing media</b> Do not scatter spilled material with high pressure water streams. |   |  |
| Specific hazards arising from the No information available.<br>chemical                                 |   |  |
| Explosion data<br>Sensitivity to mechanical impact None.  |   |  |
| Sensitivity to static discharge   | None.   |  |
| Special protective equipment and precautions for fire-fighters  | Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear.<br>Use personal protection equipment. |  |

## 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures

## Methods and material for containment and cleaning up

| Methods for containment | Prevent further leakage or spillage if safe to do so. |
|-------------------------|---|
| Methods for cleaning up | Pick up and transfer to properly labeled containers.  |

# 7. Handling and storage

# Precautions for safe handling Handle in accordance with good industrial hygiene and safety practice. Conditions for safe storage, including any incompatibilities Storage Conditions Keep container tightly closed in a dry and well-ventilated place.

# 8. Exposure controls/personal protection

## Control parameters

Exposure Limits

The following ingredients are the only ingredients of the product above the cut-off level (or

level that contributes to the hazard classification of the mixture) which have an exposure limit applicable in the region for which this safety data sheet is intended or other recommended limit. At this time, the other relevant constituents have no known exposure limits from the sources listed here.

## Appropriate engineering controls

| Engineering controls                 | Showers<br>Eyewash stations<br>Ventilation systems.  |  |  |  |
|--------------------------------------|--|--|--|--|
| Individual protection measures, such | Individual protection measures, such as personal protective equipment  |  |  |  |
| Eye/face protection                  | No special protective equipment required.  |  |  |  |
|                                      |  |  |  |  |
| Skin and body protection             | No special protective equipment required.  |  |  |  |
| Respiratory protection               | No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required. |  |  |  |
| General hygiene considerations       | Handle in accordance with good industrial hygiene and safety practice.   |  |  |  |

# 9. Physical and chemical properties

## Information on basic physical and chemical properties

| Physical state                         | Solid                       |                  |
|--|-----------------------------|------------------|
| Appearance                             | Yellow Tablet               |                  |
| Color                                  | No information available    |                  |
| Odor                                   | None                        |                  |
| Odor threshold                         | No information available    |                  |
| <u>Property</u>                        | Values                      | Remarks • Method |
| pH                                     | No data available           | None known       |
| Melting point / freezing point         | No data available           | None known       |
| Initial boiling point and boiling rang | <b>je</b> No data available | None known       |
| Flash point                            | No data available           | None known       |
| Evaporation rate                       | No data available           | None known       |
| Flammability (solid, gas)              | No data available           | None known       |
| Flammability Limit in Air              |                             | None known       |
| Upper flammability or explosive        | No data available           |                  |
| limits                                 |                             |                  |
| Lower flammability or explosive        | No data available           |                  |
| limits                                 |                             |                  |
| Vapor pressure                         | No data available           | None known       |
| Vapor density                          | No data available           | None known       |
| Relative density                       | No data available           | None known       |
| Water solubility                       | No data available           | None known       |
| Solubility(ies)                        | No data available           | None known       |
| Partition coefficient                  | No data available           | None known       |
| Autoignition temperature               | No data available           | None known       |
| Decomposition temperature              |                             | None known       |
| Kinematic viscosity                    | No data available           | None known       |
| Dynamic viscosity                      | No data available           | None known       |
|  |                             |                  |

| Other information    |                          |
|----------------------|--------------------------|
| Explosive properties | No information available |
| Oxidizing properties | No information available |
| Softening point      | No information available |
| Molecular weight     | No information available |
| VOC content          | No information available |
| Liquid Density       | No information available |
| Bulk density         | No information available |
|                      |                          |

# 10. Stability and reactivity

| Reactivity                         | No information available.                   |
|------------------------------------|---|
| Chemical stability                 | Stable under normal conditions.             |
| Possibility of hazardous reactions | None under normal processing.               |
| Conditions to avoid                | None known based on information supplied.   |
| Incompatible materials             | None known based on information supplied.   |
| Hazardous decomposition products   | s None known based on information supplied. |

# 11. Toxicological information

## Information on likely routes of exposure

| Inhalation   | Specific test data for the substance or mixture is not available. |  |  |
|--|---|--|--|
| Eye contact  | Specific test data for the substance or mixture is not available. |  |  |
| Skin contact   | Specific test data for the substance or mixture is not available. |  |  |
| Ingestion  | Specific test data for the substance or mixture is not available. |  |  |
| Symptoms related to the physical, chemical and toxicological characteristics   |   |  |  |
| Symptoms   | No information available.   |  |  |
| Acute toxicity   |   |  |  |
| Numerical measures of toxicity   |   |  |  |
| The following values are calculated based on chapter 3.1 of the GHS documentATEmix (oral)4,900.30mg/kgATEmix (dermal)99,999.00mg/kgATEmix (inhalation-gas)99,999.00ppmATEmix (inhalation-dust/mist)99,999.00mg/lATEmix (inhalation-vapor)99,999.00mg/l |   |  |  |

## **Component Information**

| [ | Chemical name                   | Oral LD50          | Dermal LD50 | Inhalation LC50 |

Persistence and degradability

No information available.

**Bioaccumulation** 

There is no data for this product.

Other adverse effects

No information available.

# 13. Disposal considerations

## Waste treatment methods

| Waste from residues/unused<br>products | Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation. |
|--|---|
| Contaminated packaging                 | Do not reuse empty containers.  |

## 14. Transport information

| DOT        | Not regulated |
|------------|---------------|
| TDG        | Not regulated |
| <u>MEX</u> | Not regulated |
| ICAO (air) | Not regulated |
| IATA       | Not regulated |
| IMDG       | Not regulated |
| RID        | Not regulated |
| ADR        | Not regulated |
| ADN        | Not regulated |

## 15. Regulatory information

| International Inventories |   |
|---------------------------|---|
| TSCA                      | Contact supplier for inventory compliance status. |
| DSL/NDSL                  | Contact supplier for inventory compliance status. |
| EINECS/ELINCS             | Contact supplier for inventory compliance status. |
| ENCS                      | Contact supplier for inventory compliance status. |
| IECSC                     | Contact supplier for inventory compliance status. |
| KECI                      | Contact supplier for inventory compliance status. |
| PICCS                     | Contact supplier for inventory compliance status. |
| AIIC                      | Contact supplier for inventory compliance status. |
| NZIOC                     | Contact supplier for inventory compliance status. |

Legend:

**TSCA** - United States Toxic Substances Control Act Section 8(b) Inventory

DSL/NDSL - Canadian Domestic Substances List/Non-Domestic Substances List

EINECS/ELINCS - European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances

**ENCS** - Japan Existing and New Chemical Substances

**IECSC** - China Inventory of Existing Chemical Substances

KECL - Korean Existing and Evaluated Chemical Substances

PICCS - Philippines Inventory of Chemicals and Chemical Substances

AICS - Australian Inventory of Chemical Substances

NZIOC - New Zealand Inventory of Chemicals

## US Federal Regulations

## SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372.

## SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

## CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

# <u>CERCLA</u>

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

## US State Regulations

## **California Proposition 65**

This product does not contain any Proposition 65 chemicals.

## U.S. State Right-to-Know Regulations

| Chemical name | New Jersey | Massachusetts | Pennsylvania |
|---------------|------------|---------------|--------------|
| Glycerol      | Х          | Х             | Х            |
